26 February 1982

MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: Harry E. Fitzwater  
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 26 February 1982

1. Progress reports on tasks assigned by DCI/DDCI:

No reports outstanding.

2. Items/Events of major interest:

a. Communications support was provided to Admiral Thomas B. Hayward,  
Chief of Naval Operations, [REDACTED]

25X1

25X1

c. In response to an advertisement for design services in support of the new Headquarters building project which appeared in the Commerce Business Daily, numerous telephone queries are being received by the Building Planning Staff. Indications are that a large number of responses can be expected from interested architectural and engineering (A&E) firms. The Agency's Evaluation Board, assisted by several technical panels, will begin ranking submissions from interested A&E firms to identify a manageable number of competitive firms for final in-depth evaluations. [REDACTED]

25X1

d. The Comptroller hosted the Brookings Luncheon on 26 February at Headquarters. [REDACTED]

25X1

e. During 18 - 24 February, industrial facility security audits were conducted at the following locations: [REDACTED]

25X1

[REDACTED] In addition, detailed computer security surveys were conducted of six major industrial contractors in the Sunnyvale area and one contractor in Denver. [REDACTED]

25X1

f. On 24 February, the Director of Security and other officers from the Office of Security and Mr. Charles Wilson, Chief, Public Affairs Division, met with Mr. David Martin, a member of the American Bar Association's Law and National Security Standing Committee and author of a study entitled "The Erosion of the Federal Employee Security Program." Mr. Martin is strongly supportive of the Agency and our own personnel security program. [REDACTED]

g. On 18 February, [redacted] of the Psychiatric Division, 25X1  
Office of Medical Services, gave a presentation [redacted] 25X1  
to the Special Advisory Group of the Office of Naval Intelligence. [redacted] 25X1

h. A meeting was held on 25 February with representatives of [redacted] 25X1  
and DIA to review concerns about the status and prospects of Project SAFE.  
Agency officers attending were the Deputy Director for Administration,  
Associate Deputy Director for Intelligence, Director, Office of Data Processing,  
and the Information Handling Systems Architect (IHSA). It was agreed that a  
one-month audit of the project would be conducted by a team of CIA and DIA  
officers headed up by the IHSA, commencing on 1 March. [redacted] 25X1

3. Significant events anticipated during this coming week:

[redacted] 25X1  
[redacted] 25X1

b. The Deputy Director for Administration will attend a seminar  
sponsored by the International Data Corporation on 3 March. [redacted] 25X1

[redacted] 25X1
